*** Foreign = includes the brazilian that lives outside Brasil.**

□ (Currency: Foreign authors = USD; Brazilian authors = Real)

AUTHORS: At least one author for each paper MUST register (until November 10, 2010) to guarantee the publication in the proceedings.

Undergraduate student registration receives CD proceedings only (no hardcopy proceedings).

Brazilian students outside Brazil are foreigners.

Receipts will be hand over in the conference.

Authors CAN NOT use undergraduate student-registration.

Registration Guidelines and Form

Registration for the 9th International Information and Telecommunication Technology Symposium (I2TS 2010) is now available.

IMPORTANT:

- All participants must register for the manufacture of the badge with his name and affiliation.
- For each paper, at least one author **MUST REGISTER** the paper accepted.

Papers will not be published unless we receive at least one author registration form with author early-registration fee paid by **November 10, 2010**.

If you are a undergraduate student author you have to use this form by indicating your Undergraduate Student Registration Free for, (shortcourses or posters). The student is responsible for the poster costs.
